

# Love Is Enough

Caleb Garrard, Wes Strunk

## Verse 1

**C**                      **Em**    **D**  
 No matter what I'm walking through, you are there.  
**C**                      **Em**    **D**  
 The only thing I need is you.  
**C**                      **Em**    **D**  
 Even in the darkest hell, you stay by my side.  
**C**                      **Em**    **D**  
 The only thing I need is you.

## Verse 2

**C**                      **Em**    **D**  
 When the world is overwhelming, you are peace.  
**C**                      **Em**    **D**  
 The only thing I need is you.  
**C**                      **Em**    **D**  
 Even in a broken sadness, you call me your child.  
**C**                      **Em**    **D**  
 The only thing I need is you.

## Chorus

**C**      **G**              **D**              **Em**  
 So I will, lift my eyes to the one who sets me free.  
**C**    **G**                      **Bm**  
 You break my chains. Take my shame away.  
**C**    **G**                      **D**                      **Em**  
 I will sing of the cross where you gave me life.  
**C**    **G**              **Bm**                              **C**  
 Your love for me makes my soul complete.
