## VERSE 1

I wanna see nations won by love  
I wanna see Jesus lifted up  
I wanna see the lowly find their worth  
I wanna see heaven come to earth

## CHORUS

I will go anywhere, that You call me  
I will go anywhere with You  
Fear has lost its hold, You go before me  
I will go anywhere with You

## VERSE 2

All heaven is under Your command  
Yet I have been placed into Your plan  
You're leading me with Your mighty hand  
Jesus, I'm Yours until the end

## BRIDGE

You've already won the victory  
You've already won the victory  
How can I fear when You're with me  
You've already won the victory  
I will go anywhere with You  
I will go anywhere with You

## VERSE 3

And when I gaze upon Your face  
Before my lips can even praise

# ANYWHERE

---

Oh, let the words that You say  
Be well done, well done my child,  
Well done

### KEY C
