

"Already Done" by OWOC Worship

Key: Bb

BPM: 95

VERSE

Cm Eb

You met me in the wilderness

Bb Ab

When I wasn't looking for ya

Cm Eb

Your promise was the evidence

Bb Ab

Of Your heart forever for us

Cm Eb

You wanna make me what I've never seen

Bb Ab

Or ever been

Cm Eb

You brought me out so you can bring me in

Bb Ab

No going back again

CHORUS

Gm7 Ab

So would you help me believe

Bb

In what's already done, already done Lord

Gm7 Ab

Would you help me to see,

Bb

What you've already won, You've already won oh

Gm7 Ab

Would you help me to bring

Bb

The light of your Son, the light of your son Lord

Gm7 Ab

Would you help me to speak

Bb

Your life where there's none, Your life where there's none Lord

VERSE 2

Cm Eb

Now I'm walking in Your promises

Bb Ab

And I'm clinging to Your every word

Cm Eb

No way I ever could forget it

Bb Ab

I'm believing everything I heard

Cm Eb

Got a promise I can hold onto,

Bb Ab

I can trust in You

Cm Eb

So when I feel I don't know what to do

Bb Ab

I'm pressing through

CHORUS (2x)

BRIDGE 3x

Cm Bb

I'll never be the same again

Gm7 Ab

Because of one word, one word

Cm Bb

I'll never be the same again

Gm7 Ab Bb

Because one touch, one touch

Cm Bb

So if it's healing,

Gm7 Ab

I'mma count it like it's already done

Cm Bb

Your provision,

Gm7 Ab

I just count it like it's already done

Cm Bb

Every promise,

Gm7 Ab

I'mma count it like it's already done

CHORUS (2x)
