

Made To Worship [Lyrics]

[Default Arrangement] by Ndumiso Manana

Verse 1

Lord You say I'm made to worship
And I know Your word speaks truth
Like Israel we need Your presence
And we want it too
With confidence we're drawing closer
Closer than we have before
We the redeemed are saying so
Knocking at Your door

Chorus 1

We'll never know how much You love us
But You sent Your only Son
We lift one voice and sing this chorus
'Cause You are the One
The One who made us in His image
That's a blessing on it's own
Then You gave us life eternal
Set aside as Your own

Verse 2

Your promises You always keep Lord
Your yoke is easy and Your burden light
Your spirit gives me fresh perspective
In darkness brings me light
I can't begin to describe Your beauty
I'm not even sure I comprehend
I'm so glad I have this duty
To praise You with no end
