

# DAILY

## Song concept, Lyric sheet & Chord chart

Song title: Daily  
Team: Every Nation Southside Music – Auckland, New Zealand  
Songwriters: Luti Richards, Sisela Latu, Fitaloa Bryce & Taulu Schuster  
Date written: September 29, 2021

This song is inspired by Deuteronomy 8:3 and Matthew 4:4 **“Man does not live on bread alone, but on every word that comes from the mouth of God.”**

Concept: Every wilderness season is providentially designed to serve God's purpose. 'DAILY' is a promise-song about victory in such seasons. It reminds us that it is God's word and His presence that sustains man in the wilderness, and this truth must also be remembered once you've come into the promised land. This song is a declaration that God is always good.

### [VERSE ONE]

That wilderness road  
The one You led me on  
I was pushed to the limit  
Tested on all sides  
What was I made of?  
Would I obey?  
Would I survive?

### [CHORUS]

Daily Jesus  
It's You that I rely on  
Daily  
It's Your presence fresh inside  
Daily Jesus  
Your words come alive  
Every day with You

### [VERSE TWO]

Jesus the ultimate hero  
Taken to the wild  
By the Spirit for the test  
Withstood from all sides  
The Word was spoken forth  
And victory came alive  
Victory came alive

### [CHORUS X2]

### [BRIDGE]

Your promise awaits  
I will trust and obey  
I will worship and say  
You are always good  
You are always good

### [BRIDGE REPEAT WITH ECHO]

Your promise awaits (on the other side)  
I will trust and obey (until the other side)  
I will worship and say  
You are always good  
You are always good

### [CHORUS X2]

### [OUTRO]
